

## Tutoring Attention Parents!

**Our Before School Program and ‘No Zero Zone’ will start on Tuesday October 18, 2011.**

We strongly recommend students take advantage of this free tutorial service. We are offering extra help with reading, language arts, and math, on Tuesday and Thursday mornings from 8:15 to 9:10 a.m. In addition to the tutorial services, we are offering our **“No Zero Zone” every Tuesday and Thursday as well.** Students must fill out a form and get approval from their specified teachers to make up work for partial or full credit, rather than receive a failing grade on an assignment. Forms will be available at the Guidance Department and with all teachers. **Remember, in order to get credit for the assignment, students must get approval from their teachers.** Below is a breakdown of teachers who are providing the tutorial services and the “No Zero Zone”, along with their weekly schedule. Students do not need to sign up; they just need to report to the appropriate class. If you have any questions, please contact Mr. Echevarría, (Mr. E) at 633-3630 , x1006.
